Note - In August 2007 the Board resolved and announced to change the frequency of distributions from quarterly to semi-annually

* 100% tax deferred

[^] Payment date is the date on which Australian resident taxpayers will be deemed to have received the distribution. APT distributions will be taxed in the year of receipt. APTIT distributions will be taxed in the year the relevant income is earned. This will be disclosed on Distribution Statements.

This reduced cost base is illustrative only and applied to units originally acquired as part of the IPO. Actual reduced cost base will depend on the actual price paid to acquire an APA security.
