

investing in people, investing in energy.

Join a top 50 ASX-listed company that invests in you.

APA Group is Australia's leading energy infrastructure business employing over 1800 people across Australia and we're looking for people who share our passion for energy.

We can offer you...

- Targeted development programs to advance your career
- Strong safety culture focused on physical and mental wellbeing
- Flexible workplace where work/life balance is important
- Sustainable initiatives that benefit the energy industry, the environment and the communities we operate in
