

Western Slopes Pipeline Community Drop-in Sessions.

Come along and talk to the team.

APA welcomes landholders, members of the community and other stakeholders to come along and find out more about the Western Slopes Pipeline project. Take the opportunity to talk to a member of our project team in an informal setting. These sessions give you an opportunity to drop-in and meet the team, ask questions about what is involved with the Western Slopes Pipeline Project and to share your thoughts.

Community consultation is a key part of the development process for the Western Slopes Pipeline Project. Your input will help shape the development of the project and we welcome your participation.

If you have any questions regarding the planned drop-in sessions or are unable to attend and would like more information please contact us on:

Phone: 1800 941 145

Email: westernslopespipeline@apa.com.au
