Western Slopes Pipeline Community Consultative Committee Meetings

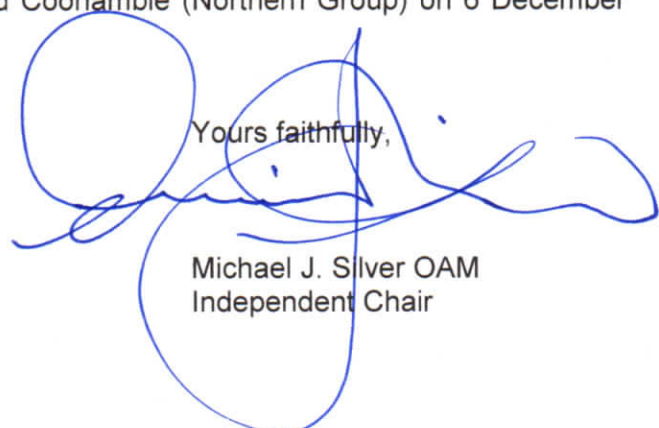

APA has provided responses in relation to matters raised at the Western Slopes Pipeline Community Consultative Committee meetings held at Narrabri (Northern Group) and Warren (Southern Group) on 13 and 14 September 2017 respectively.

Attached is correspondence dated 20 September 2017 together with Attachments 1 to 4 that address issues, clarify and respond to concerns raised by the respective Committees at these meetings.

The correspondence should be read in conjunction with the minutes of the respective meetings.

This correspondence and the attachments will be further considered by the respective Community Consultative Committee Groups at their respective next meetings at Tottenham (Southern Group) on 5 December 2017 and Coonamble (Northern Group) on 6 December 2017.

Yours faithfully,

Michael J. Silver OAM
Independent Chair
